

## RELEASE OF LIABILITY

In consideration of the Jayhawk Media Workshop of the University of Kansas granting the student permission to participate in the Jayhawk Media Workshop activity (June 9-13, 2019), as parent or guardian I do hereby agree to the following:

The undersigned realizes that participation in program activities involves some risks and dangers which must be shared by both the University and the student and parents. I release the Kansas State Board of Regents, The University of Kansas, the Jayhawk Media Workshop and their officers, employees, and agents, and all instructors and all participants in said Jayhawk Media Workshop from all liability, including claims and suits at law or in equity, for injury, fatal or otherwise, which may result from the student taking part in Jayhawk Media Workshop activities.

The undersigned agrees that his/her child will comply with all program rules, instructions and directions from staff members of the program, and assumes the risk and responsibility for any consequent expenses, property damage or personal injury arising from his/her child's failure to comply with those rules, instructions and directions. In compliance with program rules, the undersigned agrees to the release of workshop's student performance records to appropriate school personnel and guardians.

It is agreed that if any damage, injury or illness occurs, it is understood that the undersigned has personal property, health and accident insurance, or the equivalent, and that such insurance coverage will first bear the financial burden of any claim or costs associated with loss, damage, injury or accident, prior to any claim being made against the University of Kansas. You agree that any and all claims will first be submitted to the undersigned's personal insurer for payment, and agree to waive all rights of subrogation against the University for any claims paid under such insurance.

In signing this release of claims, I hereby acknowledge and represent:

- (a) That I have read this document in its entirety, understand it, and sign it voluntarily,
- (b) That I am of legal age, and
- (c) That this release of claims is a contract between these parties and its terms are contractual and not a mere recital.
